TCVP Team,

Please see below and attached for an important litigation update that will affect our timeline. We have scheduled a meeting with some of you next week to walkthrough the TCVP DRA fact sheet for Program Review. I'm sure we will be discussing this more again soon.

Thank you,
Trish

This is not good, which is hardly a surprise. Bottom line: "We order the EPA to issue a full and final response to the Administrative Petition within 90 days of the date that this decision becomes final, either by denying the Petition or by initiating cancellation proceedings."

Ex. 5 AC/DP

Hope you are both getting along OK during this mess. Take good care, Eileen
